Heroes have fallen.

THESE ARE THE FACTIONS.

THE FIREFLIES / WLF
(THE INNOVATORS)

Born from the collapse.
They seek to rebuild,
to innovate, to fight for
something more than
survival.
Progress at any cost.

THE SURVIVORS

From different places.
Different lives.
Only one thing in common—
staying alive.
They don't fight for
ideals.
They fight for tomorrow.

THE SERAPHITES
(FALSE RIGHTEOUS ONES)

They believe the old world
was a sin.
They worship the cycle.
Silence. Obedience.
Purity.

They call it salvation.
It is control.
It is death.
